## ABOUT ME

Dedicated IT graduate with a BSc (Hons) in Software Engineering (Second Upper Division) from CINEC Campus. Skilled in web development, programming, and database management, with hands-on experience in building and testing web applications. Passionate about learning new technologies, improving software quality, and contributing to team projects. Eager to grow through an internship and apply my skills in a practical, real-world environment.

---

## EDUCATION

- **BSc (Hons) in Software Engineering – Second Class Upper Division**
    - CINEC Campus, Malabe | 2021 – 2025

- 

## PROFESSIONAL EXPERIENCE

### Web Developer – REAL POS (PVT) LTD

Mar 2024 – Sep 2024

- Designed and developed responsive web interfaces using HTML, CSS, PHP, and JavaScript.
  - Collaborated with team members to ensure smooth delivery of IT solutions.
  - Documented and maintained project progress reports.
  - Supported clients in troubleshooting and implementing new features.
- 

## PROJECTS

### University Project – Activity-Based Approaches to Growth Monitoring for Children with Slow Learners (Final Year Thesis)

- Designed and developed an adaptive, activity-based web application to support the cognitive growth of children with slow learning abilities.
- Implemented voice-assisted bilingual learning (Sinhala & English) for accessibility and engagement.
- Built a real-time progress monitoring dashboard with automated PDF reporting for educators and parents.

### Website Development – Hanwella Tours

- Designed and developed a responsive tourism website for Hanwella Tours ([www.hanwellatours.lk](http://www.hanwellatours.lk)).
- Integrated interactive tour listings and booking features for improved usability and user engagement.

### Website Development – Lanka Budget Tours

- Developed and launched the official website for Lanka Budget Tours ([www.lankabudgettours.com](http://www.lankabudgettours.com)).
- Created tour package pages, contact/inquiry forms, and responsive design layouts.

### **Website Development – Pearl Lanka Travels Pvt Ltd**

- Created and deployed the company's official website ([www.pearllankatravels.com](http://www.pearllankatravels.com)).
- Integrated tour listings, inquiry submission, and booking features using Bootstrap and PHP.
- Ensured a modern, SEO-friendly, and responsive layout aligned with the company's branding.

### **Website Development – HiFly English**

- Developed the official learning website for HiFly English ([www.hiflyenglish.com](http://www.hiflyenglish.com)) during internship.
- Designed a responsive, multilingual learning platform with interactive content sections.
- Improved SEO, accessibility, and user navigation flow for better learner engagement.
